Glimmer Phoebe Kitanidis

Phoebe Kitanidis is a proud member of Team Cat. She lives in a secret lair, deep inside a blackberry bramble in Seattle, where she's currently weaving a new Urban Fantasy series as well as a New Adult Romance series. Coffee is her second-best friend.

Glimmer by Phoebe Kitanidis - Goodreads

Glimmer by Phoebe Kitanidis starts dramatically with two teenagers waking up together naked in bed. The twist is, they have no memory of each other or of their own lives. From there, in alternating first person narratives, we learn little by little about each of the characters, the odd town that they are inhabiting, and their lives prior to ...

Glimmer by Phoebe Kitanidis will be released on April 17, 2012. *I borrowed this book as part of Around The World Book Tours in exchange for my honest thoughts and op inions. I received no compensation for my review.

My Thoughts On: Glimmer by Phoebe Kitanidis

Glimmer by Phoebe Kitanidis was a strange book, and I mean that in a good way. I love magical realism, but hardly ever read it because I don't think a lot of people know how to write it, and it's also an emerging genre. Think Imaginary Girls by Nova Ren Suma, a fantastically written magical realism.

A Darkly Sinister Read: Glimmer by Phoebe Kitanidis

Kitanidis's cast of secondary characters that make up the residents of Summer Falls were also interesting, alternately pitiable, quirky, horrifying or plain old creepy. Though some of them might not get a lot of page time, Kitanidis gives even her minor characters a marked individuality.

Review | Glimmer by Phoebe Kitanidis

Glimmer by Phoebe Kitanidis. My rating: 3 of 5 stars. A girl and a guy wake up in a strange bed together...naked. And strangely, neither of them have any memory of who the other is or how they got there. Eventually they find out they are Marshall and Elyse, and they are living in the strangely perfect town of Summer Falls.
