Hope for Today is a collection of daily thoughts and meditations based on the sharings of Al-Anon members who grew up with the family disease of alcoholism. While the Al-Anon Family Groups are a fellowship of equals, ours is an incredibly diverse membership. Alcoholism does not discriminate. Its devastation affects everyone close to the drinker.

I recommend all 3 books; One Day at a time, The Courage to Change, and Hope for Today. Each book offers a small nugget of hope and healing each day. You read a one page passage per day and take a few minutes to meditate. While the books are great they work best in conjunction with an Al anon meeting.

I came across Al Anon materials accidentally but have found them to be hugely helpful in living an emotionally healthy life. Most of our lives are touched by dysfunction and dysfunctional people in many ways. Hope for Today provides a little daily dose of sanity and spiritual guidance in a world that is full of insanity and a denial of God.
