Self-defense is a type of legal defense that an accused may use to negate a criminal charge. The defense asserts that: a defendant used force or violence against someone else, but; did so to protect himself, his/her property, or another person. In using this defense, the defendant essentially: admits that he/she broke the law,

People nowadays are less frank, but the sentiment persists, and is the source of much of our economic confusion. Let us, for a moment, consider the ethics of work frankly, without superstition. Every human being, of necessity, consumes, in the course of his life, a certain amount of the produce of

human labor.

**In Praise of Idleness By Bertrand Russell**

And it would be easy enough at this point to march onward and write a triumphalist defense of fiction, ridiculing those who hold the very practice in suspicion—the type of reader who wonders how a man wrote Anna Karenina, or why Zora Neale Hurston once wrote a book with no black people in it, or why a gay woman like Patricia Highsmith spent so much time imagining herself into the life of an ...
