Night Chills Dean Koontz

Night Chills is a suspense-horror novel by American writer Dean Koontz, originally published in 1976.. Plot summary. Widower Paul Annendale has taken his two children, Rya and Mark, on their annual camping vacation to the small New England town of Black Water.

Night Chills - Wikipedia

<p>Designed by top scientists and unleashed in a monstrous conspiracy, night chills are seizing the men and women of Black River—driving them to acts of rape and murder. The nightmare is real. And death is the only cure...</p>

Night Chills | Dean Koontz

This book is old-school Dean Koontz, meaning it’s at least competent, and perhaps charming . . . in a cheesy, dated sort of way. Night Chills features a plot Koontz has rewritten ad nauseum: small town under siege by conspiracy. Include some dated technology and crass rape references and, yeah, ya got yo’ self a typical 1970s Koontzy thriller.

#1 New York Times bestselling author Dean Koontz unleashes a contagion on a small Maine town—one that triggers the darkest desires of the soul. Designed by top scientists and unleashed in a monstrous conspiracy, night chills are seizing the men and women of Black River—driving them to acts of rape and murder.

Night Chills by Dean Koontz - Books on Google Play

The iconic Koontz manufactures a legitimate rage directed at the story’s antagonists, and it aids in the joy we experience as our protagonists gain eventual redemption. Dean doesn't always flirt with the overtly extreme, but in the case of Night Chills, not a single punch is pulled and that’s where the story wins on a grand level.

Night Chills : Dean Koontz : 9780425098646

"Night Chills" was my first Dean Koontz book that I read. I discovered it when I read in a blurb in a magazine that former Megadeth bassist Dave Ellefson was a fan of this particular book. The concept of subliminal messages and using them to brainwash an entire town fascinated me.
