Oxford A Level History For
History at A-Level is a traditional and highly valued course. Many universities look upon it as showing a sound academic preparation in the humanities. The ways in which History builds an ability to question, argue and counterargue make it a very good preparation for courses in law, politics, philosophy and business.

Oxford AQA History for A Level: resources developed by ...
Oxford's History course combines the examination of large regions over extended periods of time with more focused work on smaller social groups, shorter periods and particular themes. It provides a distinctive education by developing an awareness of the differing political, cultural, social and economic structures within past societies and how they interrelate.

History | University of Oxford
The History A level course is arranged around the themes of Challenge and Transformation (British modules), and The American Dream (USA). Throughout the course you will gain a balanced overview of how modern history developed on both sides of the Atlantic, as well as the interplay between the fortunes of Britain and the USA.
