Retribution chronicles the final twelve months - give or take - of the war against Japan. And just like the author's previous book, Armage EXCELLENT HISTORY For whatever reason my reading of World War II history is heavily weighted towards the European conflict against the Nazis to the neglect of the Pacific theater.

Retribution: The Battle for Japan, 1944-45 by Max Hastings

A chronicle of the horrific final year of the Pacific war. By the summer of 1944 it was clear that Japan's defeat was inevitable, but how the victory would be achieved remained to be seen. Hastings gives us incisive portraits of the key figures--MacArthur, Nimitz, Mountbatten, Chiang Kai-shek, Mao, Roosevelt, Churchill, and Stalin.

Once Japan's onslaught was checked, the Allies' eastern commanders were given enough forces progressively to push back the enemy, but insufficient to pursue a swift victory. The second-class status of the Japanese war was a source of resentment to those who had to fight it, but represented strategic wisdom.
