### Social Studies Guided And Review

HISET Social Studies Review. Social Studies itself is a broader subject—about as broad as the Language Arts subsection, but condensed into one part rather than two. Its depth is one of the biggest reasons as to why it's included on the HISET, and why it is important to demonstrate basic mastery of this subject in order to move on to a higher level academic or professional climate.

GED Social Studies Review. When you think of social studies, what comes to mind? To most, it may simply be history. However, as a subject, social studies encompasses a much wider expanse of material than history alone. Take a closer look at the subject and you'll find not just history but other related subjects, such as geography and economics.

Science and social studies take-home projects promote further discovery for students on topics they may want to learn more about. They can take their time to conduct research, and then prepare their work for an audience. This will also give them an opportunity to perhaps work with technology and collaborate with their families at home.

### Making Time for Science and Social Studies | EDU

Social studies instruction that is solely text-based tends to emphasize learning about history, while rich, inquiry-based instruction emphasizes learning how to think like a historian. To think like a historian, your students need to be able to evaluate, corroborate, and synthesize multiple, often-conflicting, sources.
