### Teaching Literacy through Drama: Creative Approaches ...

by Anica Stojkovic, 17 th Aug 2017. Numerous studies indicate that using drama in the classroom as a means of teaching helps students learn academically, socially, and developmentally. Drama is an invaluable tool for educators, since it supports every aspect of literacy development. Drama has been also recognized as a powerful learning medium because it creates a context for children to relate to their lived experience.

### Using Drama and Theater in the Classroom to Promote Literacy

Creative experiences guided by intentional teaching produce learning opportunities for young children. Through drama, music, dance, and puppetry, children experience the joy of being artists while learning essential skills across the STEAM subjects. They approach challenges like engineers do.
