The Worry Trick: How Your Brain Tricks You into Expecting ...

Worry convinces us there's danger, and then tricks us into getting into fight, flight, or freeze mode—even when there is no danger. The techniques in this book, rather than encouraging you to avoid or try to resist anxiety, shows you how to see the trick that underlies your anxious thoughts, and how avoidance can backfire and make anxiety worse. If you're ready to start observing your anxious feelings with distance and clarity—rather than getting tricked once again—this book will ...

The Worry Trick (Audiobook) by David Carbonell PhD ...

The Worry Trick (in paperback and audio versions) helps you discover the "trick" behind chronic worry. It shows you why, so often, your efforts to stop worrying only lead to more persistent worry. Even better, it shows you how to worry less. It shows you what to do differently to allow you to worry less and put your time, energy, and attention back into living the life you want. Excerpts from the foreword by Sally Winston, Psy.D.
