Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

United States Government Democracy In

The United States of America is governed as a federal republic, and therefore some argue that the U.S. is not a democracy. A republic is defined as a political system in which the supreme power is vested upon the citizenry that is entitled to vote for its representatives and officers responsible to them, while a democracy is defined as a government of the people and by the people exercised through elected or direct representative.

Is the United States a Republic or a Democracy? - WorldAtlas

Democracy in the United States The United States is a representative democracy. This means that our government is elected by citizens. Here, citizens vote for their government officials. These officials represent the citizens' ideas and concerns in government. Voting is one way to participate in our democracy.
