Use Of The Woodlands In

The woodland pattern is a camouflage pattern that was used as the default camouflage pattern issued to the United States Armed Forces from 1981, with the issue of the Battle Dress Uniform, until its replacement in the mid 2000s. It is a four color, high contrast disruptive pattern with irregular markings in sand, brown, green and black. It is also known unofficially by its colloquial moniker of "M81", though this term was not officially used by the U.S. military.
