Where I Need To Be

What I liked about "Where I need to be", is that the author gave us a down to earth story with real life scenarios. The story takes place in San Francisco, California so that gives us a reference of where the Characters are from and also makes you feel like if you were the one experiencing the story.

You need to take the time every day to stay in shape, eat well, and keep clean and hygienic. You are not having sex for fun, you are doing it for your job. Expect the intimacy and spontaneity of sex to disappear during a 4-hour video shoot. Maintaining a committed relationship while in porn can be almost impossible, as jealousy is only natural.
